THE COMPLETE MULTI-DOSE SOLUTION.

POWER: Driven by proven DOSIS interfaces. Use any consistent data fields to make filling & labeling decisions.

CONFIDENCE: Integrated imaging of each dispensed pill for easy RPh checking.

FLEXIBILITY: Fill a variety of multi-med blister card formats. Fill weekly or monthly.

EFFICIENCY: Support over 300 patients per month per filling technician.

SCALABILITY: Add work stations as your multi-dose business grows.

VALUE: Low cost of entry. Low cost to expand. Low cost per card.

SIZE: Compact design fits on typical pharmacy countertop.

**Multi-Dose Blister Cards.
Filled. Sealed. Labeled. Imaged.**
